

BERK KARABEYOĞLU

Frontend Developer | React, Next.js, TypeScript | UI-Focused | Open to Relocation

Summary

Motivated and detail-oriented Frontend Developer with 3+ years of hands-on experience building modern web applications using React.js, Next.js, Vue, and TailwindCSS. Passionate about clean code, pixel-perfect UIs, and delivering smooth user experiences. Comfortable working in agile teams, adapting quickly, and constantly improving my skills. Currently seeking opportunities in international tech environments to contribute and grow.

Work Experience

Software Engineer | DepoDone, Remote | Nov 2022 – Present

- Developed and maintained responsive web interfaces using React.js and TailwindCSS.
- Created pixel-perfect components based on Figma designs.
- Built user/admin dashboards using Vue3 and Vuetify.

Junior Software Developer | EMakina.TR / EPAM Systems | May 2022 – Oct 2022

- Delivered frontend components for a CMS platform using React.js and JavaScript.
- Built dynamic data tables and logic-heavy UI sections based on client requirements.

Software Developer Intern | Akartas Holding | Feb 2021 – Mar 2021

- Assisted in designing mobile interfaces with React Native.
- Worked on basic UI layouts for the company website and mobile prototype.
